FROM DEAN MATASAR

Greetings. What an exciting week. The Thomas hearings have captivated all of us and once again brought to public scrutiny the incredible (and sometimes unwieldy) machinery of democracy in action. I want to commend our faculty and students for their flexibility on bending from ordinary class schedules to follow the hearings. We must never lose sight of our obligation to be informed citizens—even during our busy, professional lives. The educational experience of watching the hearings, the witnesses, and the lawyers is outstanding.

On an entirely different note: Thirty-three first-year students have been selected to participate in the Pilot Academic Support Program adopted by the faculty this fall. Eleven advanced students have been appointed as Teaching Assistants (TAs) to work in the program. Each TA has primary responsibility for three advisees and will help and support each one with time management, study skills, note-taking, outlining, and the general problems and frustrations they are experiencing as first-year students. A member of the full-time faculty will work with each TA and the TA's three advisees.

In addition, each TA will have substantive responsibility for either Contracts, Torts or Criminal Law. This will involve attending some sessions of the class, reviewing the assigned material, periodically conducting two-hour study sessions with the nine advisees in their section (at least once every three weeks), and being available to provide them substantive help. The instructors of Contracts, Torts and Criminal Law will provide the TAs assigned to their course with class materials, assignments, and advice.

The faculty supervisor will meet with the three advisees, providing guidance and support, will distribute sample exam questions to advisees and grade their answers, and will work with the TAs to help them prepare their review sessions.

The law school will be reviewing this program at the end of the academic year. Please let me or Dean Chapman know your thoughts about the program.

Ciao!

BUILDING UPDATE

All the news remains good news! We remain on schedule for starting to move on December 20. Virtually all of the interior walls are now up, except for some glass walls and some cherry wood walls that will be installed in November. The heating and cooling system basically is complete, and the first tests of the fans and motors have begun. If you have been visiting the building, you may be wondering why the glass hasn't been put in on the top floors directly above the main entrance. The glass and metal pieces of the ninth and tenth floors form an interlocking whole. Until the steel frame is completed on the tenth floor, the glass and metal panels cannot be installed. All of the work is scheduled to be done by the end of October, and then we will be completely enclosed. Fortunately, no interior work is being delayed because of the glass.

The terrazzo floor for the main entrance is being put down right now. It is a messy job, since the material is put down as a paste then has to be polished by heavy machines using a liquid grit. A shiny, very hard surface will eventually emerge from the muck and mire.

The first carpeting will be installed at the end of October, in classrooms on the Concourse level. The first classroom tables will be installed as soon as the carpeting is put down. By Thanksgiving, all of the classrooms will be carpeted and have their tables. Acoustical panels will be mounted in early December, and all the classrooms will be ready for the first classes.

We know our full address and the main law school telephone number. We will be at 565 West Adams, Chicago, Illinois 60661-3601. The telephone number will be (312) 906-5000.

I'm happy to be able to report that bike racks for approximately 45 bikes will be installed on the Quincy Street side of the building, on the sidewalk next to the outside wall. The bike racks will not be in the loading dock or in the likely path of the trucks delivering goods to the school, as I have been told one rumor has reported.

Finally, we have received bids from the various moving companies, and expect to be able to announce who our movers will be within the next week. One we've reached agreement with a mover, a detailed moving timetable will be announced. Watch this space for more information.

Remember, Tuesday, January 21, 1992 is the Big Party and Orientation.

JANUARY ORIENTATION PARTY

Do you Jam? The Office of Dedication needs you. Do you play the sax, guitar, violin, oboe, or harmonica? Faculty or student, jazz, rock, blues, classical, or country: it's all music to our ears. We are looking for bands and musicians to perform at the Orientation Celebration at our **NEW BUILDING** on January 21, 1992. Don't hesitate! We need enough acts to fill the hours of 12:00 p.m. to 7:00 p.m. with melodious interludes. Now, that's entertainment! If interested in this great opportunity, please contact Laura Trotman in Room 321 or call ext. 5710.

REGISTRATION INFORMATION

Spring Registration and Unpaid Tuition Balances

Registration for the Spring, 1992 semester will begin the week of **November 11**. Except as set forth below, students will not be permitted to register if there is any outstanding tuition balance, including the payment due on November 4.

Please note that the Registration Policy will not be waived in order to allow a student to meet a registration deadline. Therefore, we urge you to allow yourself sufficient time in which to complete the necessary paperwork (it usually takes 1-2 days to process requests for approval).

Procedure for Registering with an Outstanding Tuition Balance

A student will be allowed to register with an outstanding tuition balance only if he/she has been approved to receive:

1. A Guaranteed Student Loan (GSL),
2. Perkins Loan (NDSL),
3. Supplemental Loan for Students (formerly ALAS),
4. Law Access Loan, and/or
5. other institutional loan/s (bank, etc.)

Students will not be allowed permission to register for any reason other than those listed above. Loans covering tuition charges for the Spring 1992 semester will not be accepted for credit against past due tuition balances.

Students should complete the "Petition For General Unpaid Tuition Policy Exemption" form in order to be considered for registration with a past balance. Copies of the following verification information must be submitted along with the petition application:

1. Letter from the loan source (IIT Financial Aid Office, bank, etc. - **NOTE: A copy of the bank loan application/confirmation is required for GSL and SLS loans**) and,
2. Registrar's letter confirming the current outstanding tuition balance amount.

Petition forms may be picked up at the Registrar's Office, Room 306, or the Administration Office, Room 302. Please submit application forms to Dawn Rupcich, Director of Administration and Finance, Room 302.

FROM THE REGISTRAR

Change of Divisions

Students who wish to change from the Evening division to the Day division or vice versa should obtain a Request to Change Divisions form from the Registrar's Office and submit it to the Registrar by October 25. Permission to change divisions will be granted on a space-available basis.

Students who change divisions will have the lowest priority within their starting date group in the new division for the Spring, 1992 semester. The priority will be readjusted after one semester in the new division.

Fall 1991 Graduates-Bar Applications

Bar applications for the Illinois Bar Examination are now available to all declared Fall 1991 graduates in the Registrar's Office, Room 306.

Intensive Trial Advocacy I

Intensive Trial Advocacy I will again be offered during the January intersession. The course will begin on Saturday, January 4, 1992, and meet for eight consecutive days, including Sunday, January 5, from 8:30 a.m.-6:30 p.m. Students who register for this course must take Trial Advocacy II during the Spring 1992 semester. Trial Advocacy II will be offered on Tuesday evenings from 6:00 - 9:00 p.m. and on Saturday

mornings from 9:00 a.m.- 12:00 noon. The Evidence course must have been completed by the end of the current semester to enroll in Intensive Trial Advocacy I.

If you want to enroll in the intensive course, complete a pre-registration form in the Registrar's office by Tuesday, October 22. Late forms will not be accepted. The capacity of the course is 40 students and seats will be allocated as follows: 13 seats for evening division students; 14 seats for third-year day division students; and 13 seats for second-year day division students. Within each of these groups, students will be selected for the course on the basis of a random drawing of pre-registered students to be conducted by the SBA and the Registrar on Wednesday, October 23.

Because of the special nature of the course, a student who drops Intensive Trial Advocacy I between November 22, 1991 and Friday January 3, 1992 will be charged full tuition. A student who drops the course after January 3, 1992 will be charged full tuition and will receive the grade of WE (withdraw failing).

For tuition purposes, Intensive Trial Advocacy I will be treated as a spring semester course and the cost of the course will be added to the spring semester tuition bill. However, the three credit hours earned for the course will not count as part of the spring semester course load for purposes of determining the maximum number of hours you may enroll for.

The National Trial Advocacy Competition team will be selected after the intensive course, so Intensive Trial Advocacy I students will be eligible for the national team.
